

Book Dr. Jamie Turndorf (aka Dr. Love) for relationship advice your audience won't forget!

Dr. Jamie Turndorf (aka Dr. Love) is known for delivering a seamless and engaging blend of professional expertise, humor and memorable sound bites, turning clinical psychobabble into easy to understand concepts and techniques that transform lives and heal relationships. In 1995, she launched AskDrLove.com, the web's first and longest operating relationship advice site where she's answered thousands of real life questions on every imaginable relationship issue. She has been featured on countless radio and TV shows throughout the world, providing life changing information along with a few good laughs. Her Ask Dr. Love radio show is syndicated in 5 of the top 10 US terrestrial radio markets and her podcast goes out to 200 countries.
